Bon Secours St. Francis Watkins Centre, in conjunction with Chesterfield County Police Department and Substance Abuse Free Environment (SAFE), is hosting a medication take-back event on Saturday, March 23, 2013, from 10:00 a.m. - 2:00 p.m.

All are invited to bring expired or unneeded prescription medications as well as over-the-counter medications to Bon Secours St. Francis Watkins Centre for safe and environmentally sound disposal by the Chesterfield County Police Department.

SAFE volunteers will be on hand with information on substance abuse prevention, and visitors are welcome to tour our newest free-standing emergency department and find out more about available services.

So, clean out your closet, and come to Bon Secours St. Francis Watkins Centre, located at 601 Watkins Centre Parkway at the intersection of 288 and Midlothian Turnpike (across the street from Westchester Commons), on March 23rd to safely dispose of your unneeded medications and receive a coupon for a free drink from Midlothian Apothecary.

For further information or questions, please call the Watkins Centre main line at 804-893-8450.
