

VIRGINIA BOARD OF VETERINARY MEDICINE

Disposition of Routine Inspection Violations

The Board of Veterinary Medicine (Board) conducts routine inspections of veterinary establishments every three years. The guidance document, [76-21.2:1 Veterinary Establishment Inspection Report](#) provides a checklist of the laws and regulations with which veterinary establishments must comply. For each violation found during an inspection, a point value is assigned. Point values are available on the veterinary establishment inspection report form. **Please note that violations cited during last and current inspections are repeat violations and receive double the assigned point value.**

Following an inspection in which one or more violations of the laws or regulations are cited, a veterinary establishment is required to submit a written response to the Board pursuant to 18VAC150-20-140(18) within 14 calendar days of the inspection unless an extension is granted by the Board. A response must detail the action(s) taken to correct each deficiency and may be submitted via mail, email or fax. Failure to provide a written response may subject a veterinary establishment and a veterinarian-in-charge to disciplinary action.
