**Initial Program Approval:**

Bryant and Stratton Virginia Beach Campus has been given initial approval to open an associate degree registered nursing program as of August 3, 2017. The first quarterly report will be due on Monday, October 2, 2017.

**Changes in Program Enrollment:**

- Henrico County Public Schools Practical Nursing Program (US28106800) will be adding an evening/ weekend cohort of up to 15 students to the Practical Nursing I course. Once in the Practical Nursing II course, students will integrate into the traditional day courses and continue with weekend clinical learning experience.

Letters from the program administration detailing the support and resources for the additional students are enclosed.

- Reynolds Community College, Practical Nursing Program (US28105500) will be not admitting students in the fall of 2017.

The program will graduate all currently enrolled students in August 2017. A status report on the students and graduates of the August 2017 cohort is to be submitted to the Board in late August 2017.

The practical nursing program director and a full time faculty resigned this summer to pursue other opportunities. The College is currently recruiting for a program director and faculty who will be redeveloping the program and the curriculum to better meet the needs of the students and stakeholders.

Current plans are to accept students for the 2018-2019 academic year.

Letters from the Nursing Programs Coordinator regarding the suspension of enrollment are enclosed.
