STAFF PRESENT: Cathy M. Reiniers-Day, Deputy Executive Director

POLL OF MEMBERS: The Board members were polled as to whether they could have attended a regular meeting at the office in a timely manner for the purpose of hearing evidence in a possible summary suspension case. The Board members stated that they would not have been able to attend.

With six members participating and four members unable to participate, it was established that a quorum could not have been convened in a regular meeting to consider this matter.

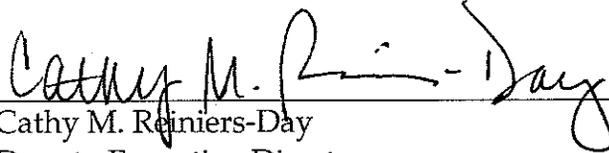

MISTIE L. BETZING
Registration No. 0230-0004321 Ms. Tillman-Wolf presented a summary of the evidence in this case.

Decision: Upon a motion by Mr. Stredler and duly seconded by Mr. Beckner, the Board unanimously voted that with the evidence presented, the practice as a pharmacy technician

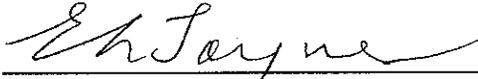

by Mistie L. Betzing poses a substantial danger to the public; and therefore, that the registration of Ms. Betzing to practice as a pharmacy technician be summarily suspended; and that a Consent Order be offered to Ms. Betzing for the revocation of her registration in lieu of a hearing.
