However, the applicant must provide evidence of a minimum of 12 semester hours or 18 quarter hours completed in marriage and family therapy (marital and family development, family systems, theory systemic therapeutic interventions, and application of major theoretical approaches).

In order to be considered for licensure as a Resident in Marriage and Family Therapy, all education requirements outlined in Regulations 18VAC115-50-50 and 18VC115-50-55 must be met.
Foreign Degrees:

Graduates of programs that are not within the United States or Canada must provide documentation from an acceptable credential evaluation service that provides information that allows the board to determine if the program meets the requirements set forth the Regulations.

Pre-Review of Education toward LMFT Licensure:
If you are uncertain if your degree or coursework meets the minimum education requirements, you can submit the Pre-Review of Education application packet for review. This application is only to provide education guidance and is not an application for licensure with the Board nor is the application a prerequisite for licensure. Any guidance provided during the pre-review education process is not a case decision under the Virginia Administrative Process Act and cannot be appealed. There is a $75.00 fee for this service.

STEP 2: APPLYING FOR AND GAINING A TEMPORARY LICENSE AS A RESIDENT IN MARRIAGE AND FAMILY THERAPY.

The application review process can take up to 30 days once your application is considered complete.

Finding a Supervisor
In accordance with §54.1-3505(8), the Board of Counseling has posted a registry of persons who meet the requirements for supervision of residents. This list should be used as a tool to assist with your search for a supervisor. Please note that the Supervisor Registry is updated weekly. It is your responsibility to ensure that the supervisor has an active, unrestricted license. If your proposed supervisor is not on the registry, please have your supervisor submit the Supervisor Approval Application.

Supervisor Requirements
A person who provides supervision for a resident in marriage and family therapy shall:
1. Must hold an active, unrestricted license as a marriage and family therapist (LMFT) or professional counselor (LPC) in the jurisdiction where supervision is being provided;

At least one-half of the 200 hours of supervision shall be rendered by a licensed marriage and family therapist (LMFT).

NOTE: LCSWs or Psychologists cannot supervise a Resident in Marriage and Family Therapy toward licensure.

The resident should hold the quarterly evaluations and verification of supervision forms until the resident completes the residency requirements, passes the National MFT exam and applies for LMFT licensure by examination. Supervision by any individual whose relationship to the resident compromises the objectivity of the supervisor is prohibited. If supervision terminates, the supervisor or the resident should complete the Termination of Supervision form (available on the Board website) for their records.

IMPORTANT SUPERVISION NOTICES!

Once your Resident in Marriage and Family Therapy license is approved, your supervisor is responsible for your marriage and family therapy activities at the location indicated on your supervisory contract.

Providing clinical marriage and family therapy services without holding licensure in Virginia is unlawful, unless you are providing clinical services in a in an exempt setting as indicated in § 54.1-3501 of the Code of Virginia.

Residents may not call themselves professional counselors, directly bill for services rendered, or in any way represent themselves as independent, autonomous practitioners or professional counselors. During the residency, residents shall use their names and the initials of their degree, their resident license number, and the title "Resident in Marriage and Family Therapy" in all written communications. Clients shall be informed in writing that the resident does not have authority for independent practice and is under supervision and shall provide the supervisor’s name, professional address, and phone number.
**Adding or Changing Registration Supervision:**
After issuance of a temporary resident license, a resident will not be required to submit an application, pay a fee or notify the Board in order to add/change a supervisor or worksite. However, a resident must have a signed and established [supervisory contract](#) for each supervisor and worksite prior to providing clinical marriage and family therapy services and before counting hours toward licensure. A copy of each supervisory contract is to be retained by the resident and supervisor. Residents are responsible for making sure their supervisor is approved by the Board.

**Termination of Supervision:**
If supervision terminates, you or your supervisor should complete the [Termination of Supervision form](#) (which can be found on the Board website) for your records. Your supervisor should also complete the last [Quarterly Evaluation form](#) and the [Verification of Supervision form](#). You, the resident, must keep this form in your records until you are ready to apply for LMFT licensure. This Verification of Supervision and Quarterly Evaluation forms are necessary pieces of your application and serves as documentation of your supervision and residency hours.

**STEP 3: COMPLETE THE SUPERVISED RESIDENCY REQUIREMENTS**
Once the Board issues you a temporary License as a Resident in Marriage and Family Therapy, you have achieved the status of “Resident in Marriage and Family Therapy” and you can count your supervised residency experience hours towards LMFT licensure. Once you receive your resident license, you must post a copy of their license in a conspicuous place as stated in section § 54.1-3506.1 of the Code of Virginia.

Random audits will be conducted to verify the Licensed Resident in Marriage and Family Therapy is meeting the minimum requirements which would include verification of a signed supervisory contract.

Effective September 6, 2019, the Regulations state that supervised practicum and internship hours from a COAMFTE-accredited or a CACREP-accredited doctoral program in marriage and family therapy or counseling may be accepted for up to 900 hours of the residency requirement and up to 100 of the required hours of supervision provided the supervisor holds a current, unrestricted license as a marriage and family therapist or professional counselor.
