Pharmacist License by Score Transfer Process and Timeline

Applicants requesting pharmacist licensure by score transfer will need to follow the processes below. Applicants who have taken NAPLEX greater than 90 days ago and have not transferred their score to Virginia already will need to follow the “License by Endorsement Process and Timeline”. Additionally, score transfers expire after 1 year. Applicants who have transferred their score more than 1 year ago will need to follow the “License by Endorsement Process and Timeline”. Applicants who have chosen Virginia as their primary state will need to follow the “License by Examination Process and Timeline”.

Licensure Prerequisites:

- Applicant is required to have a minimum of 1,500 practical experience hours.
- Applicant will need to request that NABP transfer their NAPLEX score to Virginia before the 90-day time limit.
- Applicant graduating from a non-ACPE accredited college outside of the United States has additional prerequisites that must be met. Please refer to [Guidance Document 110-17](#) for more information - http://www.dhp.virginia.gov/pharmacy/pharmacy_guidelines.htm

| Licensure Process | Approximate Timeline |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| After graduation pharmacist applicants are required to complete the online application for pharmacist licensure found at https://www.license.dhp.virginia.gov/apply/ . A printer will need to be available when applying online to print the college affidavit form. | Credit card payments are cleared the date received. Applications are only valid for one year from the date of online payment. |
| Applicants are required to complete the top portion of the affidavit form and after graduation have the Dean or Registrar of your college complete the bottom portion of the form. It must be stamped with the college seal on the bottom portion of the form. Any hours gained outside of college curriculum will need to be sent from the pharmacy Board in the state where the hours were gained. | Original affidavits documenting practical experience hours must be received at the Board. No scans, faxes, emails or copies of this document will be accepted. Affidavits are processed in the order received. During times of peak volume such as during graduation season, it may take longer for forms to be processed. The online checklist will have a status of “completed” when the practical experience hours have been reviewed and accepted. |

|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Please pay special attention to the information about mailing documents to the Board.</p> | <p>Mail sent using USPS is received in approximately one week. Mail sent using private mail carriers, such as UPS and FedEx, arrives directly to the Board's address making this process more efficient. The applicant will also have control of the date the Board will receive the mailed documentation, if using a private mail carrier.</p> |
| <p>Applicants must request NABP to transfer their passing NAPLEX Score to the Virginia Board of Pharmacy.</p> | <p>The request to have your NAPLEX score transferred to the Virginia Board of Pharmacy must be made within 90 days of passing the NAPLEX examination.</p> |
| <p>Applicants must apply to take the MPJE examination through NABP's website. Please note that when applying to take the exam you do not need to provide a date or time for the exam, as registration for the exam will be done after receipt of the Authorization to Test (ATT) received by email from Pearson VUE.</p> | <p>Applicants can register for the exam at any time during the licensure process. To expedite the process, it is recommended to register for the exam very soon after completing your online pharmacist licensure application, or at the very latest when your affidavit form is mailed to the Board.</p> |
| <p>Applicants will be made eligible to take the exam after validation of the application, confirmation of practical experience hours and receipt of a passing NAPLEX score transfer from NABP.</p> | <p>If there is no reason for denial, validation is completed within 2 to 5 business days. During high volume times of year, this may take longer. Applicants will receive an email containing the ATT number, from Pearson VUE after eligibility is granted by the Board.</p> |
| <p>After receiving your ATT number, applicants should contact Pearson VUE to register for the exam and provide the date and time they wish to take the exam.</p> | <p>NABP posts examination scores for the Board approximately 5 to 6 days after the exam is taken.</p> |
| <p>A score of 74 or less is not a passing score.</p> | <p>Applicants must wait 30 days after a failed attempt before being eligible to test. The applicant will need to re-register to take the exam. The Board will grant eligibility and another email containing the ATT number will be emailed from Pearson VUE.</p> |
| <p>A score of 75 or greater is a passing score. The application will be reviewed for approval.</p> | <p>The normal turnaround time to process scores is less than 1 week after they are received from NABP. This timeframe may increase at busy times of the year.</p> |

|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>After the application is approved, the license is issued and the status will be current active. This can be checked on the Board's website under the 'License Lookup' tab.</p> | <p>The Board will print a license and a wall certificate that will be mailed to the licensee. The license should arrive in 10-14 business days. The wall certificate may take longer to receive.</p> |
