

The Virginia Board of Pharmacy is pleased to inform you that the Food and Drug Administration (FDA) Center for Drug Evaluation and Research, Division of Drug Information is presenting a series of continuing educational webinars targeted toward students and health care professionals who wish to learn how to find relevant FDA regulatory information that will improve drug safety. The webinars are presented by FDA staff. The fourth webinar of 2016:

An Overview of FDA's Expanded Access Process and the New Individual Patient Expanded Access Application

Date: Tuesday July 12, 2016

Time: 1 PM EST/ 10 AM PST

Duration: 60 Minutes

ACPE Universal Activity No. 0601-0000-16-063-L05-T

This webinar will explain how to utilize FDA's drug information, medication safety resources and regulatory guidance, to improve delivery of patient care and optimize outcomes. This webinar will also describe and inform health care providers of recent labeling changes which would impact prescribing and medication management to optimize patient care.
