Virginia Board of Pharmacy

The Virginia Board of Pharmacy has been made aware that licenses have received fraudulent communications from individuals claiming to be from regulatory authorities, such as the Board of Pharmacy, Board of Medicine, or the Drug Enforcement Administration (DEA). The communications, be they by e-mail, fax, phone, or the US Postal Service, may threaten arrest, demand personal information, or require the payment of fines.

The Virginia Board of Pharmacy will not send such communications. If you believe you are the recipient of a fraudulent communication claiming to be from the Virginia Board of Pharmacy, you should refuse the demand and contact the Board of Pharmacy at (804) 367-4456 or pharmbd@dhp.virginia.gov.

You may also wish to report the communication to the Virginia State Police, local law enforcement, and the US Postal Service.

Information about reporting individuals purporting to be a DEA special agent is [available here](#).
