INSTRUCTIONS FOR REGISTRATION OF DENTAL ASSISTANT II

There are two pathways for registration in Virginia, registration by education or registration by endorsement. Read through the application instructions carefully before deciding which pathway to pursue. A completed application shall include the following unless otherwise stated below. An incomplete application and/or fee will delay the processing of your application. Incomplete applications remain active for one year from the date of receipt. After one year from date of receipt, you would need to reapply. Documents submitted with an application are the property of the Board of Dentistry and cannot be returned.

1. **Application**: Please be sure that all information and questions are completed on the application.

2. **Application Fee**: The fee for Registration as a Dental Assistant II is $100 and must be paid with a check or money order, made payable to The Treasurer of Virginia. The fee can be used for one year from date of receipt. Pursuant to 18VAC60-30-30(F), all fees are non-refundable. Your application will not be reviewed until you have submitted payment.

3. Evidence of a current credential as a Certified Dental Assistant (CDA) conferred by the Dental Assisting National Board (DANB) or another certification from a credentialing organization recognized by the American Dental Association (ADA) and acceptable to the board, which was granted following passage of an examination on general chairside assisting, radiation health and safety, and infection control.

4. **Form A (Certification of Completed of Education)**: Original certification of completion of an expanded function dental assisting training program which was obtained from an educational institution that maintains a program in dental assisting, dental hygiene or dentistry accredited by the Commission on Dental Accreditation (CODA) of the American Dental Association (ADA) as set forth in 18VAC60-30-1116 of the Regulations Governing the Practice of Dental Assistants. Applicants must submit a Form A for each degree and/or certificate earned from a dental program accredited by CODA. The school may use this form or its own form to meet this requirement. The certification must bear the school’s seal (if applicable), be on letterhead and must include the program’s CODA accreditation status at the time you completed the program. This information is only accepted from programs accredited by CODA. Documentation from foreign schools is not required and will not be considered.

5. **Official Transcript**: Transcript, certification and documentation of the training content completed confirming the educational requirements set forth in 18VAC60-30-120 of the Regulations Governing the Practice of Dental Assistants have been met. (May be mailed/emailed to the Board. An official transcript—must be on original official school paper (sealed) or an online version that Board staff must download from the college, e-scrip or university website.)

6. **If applying by examination (Competency Examinations)**: Verification of successful completion of the following examinations given by the accredited educational programs (may be listed on the official transcript):
   a. A written examination at the conclusion of didactic coursework; and
   b. A clinical competency exam.

7. **If applying by endorsement (Form B Experience Verification)**: If you are applying for Registration by endorsement you must hold a credential, registration, or certificate with qualifications substantially equivalent in hours of instruction and course content to those set forth in 18VAC60-30-120 or if the qualifications were not substantially equivalent you can document experience in the restorative and prosthetic expanded duties set forth in 18VAC60-30-60 of the Regulations Governing the Practice of Dental Assistants for at least 24 of the past 48 months preceding application for registration in Virginia. You must submit Form B, which is to be completed by a supervising dentist(s), documenting your experience in the restorative and prosthetic expanded duties set forth in 18VAC60-30-60 that you are applying to perform in Virginia, for at least 24 of the past 48 months preceding your application for registration in Virginia.

For example, the four year period immediately preceding an application received on October 8, 2020 began on October 9, 2016. The four calendar years for this example application are:

Application DAI1 Revised April 2021
First year: October 9, 2016 to October 8, 2017;  
Second year: October 9, 2017 to October 8, 2018;  
Third year: October 9, 2018 to October 8, 2019, and;  
Fourth year: October 9, 2019 to October 8, 2020

8. **Form C License/Registration Verification: Original** licensure status and certification from every jurisdiction in which you currently hold or have ever held a license/registration/certification to practice as a dental hygienist or as another health care professional. Copies of permits are not accepted. Certifications cannot be older than 6 months from date prepared. (May be mailed to the Board or emailed to the Board directly from the issuing state official representative.)

9. Please be aware that your signed application affidavit authorizes the release of confidential information, affirms that your application is complete and correct, and attests that you have read, understand, and will remain current with the laws and regulations governing the practice of dentistry in Virginia. Review the laws and regulations via the “Laws and Regulations” tab at [www.dhp.virginia.gov/dentistry](http://www.dhp.virginia.gov/dentistry).

10. **Name Change:** Documentation must be provided to show each name change, if your name has ever been changed since graduation from a CODA or CDAC accredited program or were licensed in other jurisdictions or other than what is listed on your application. Photocopies of marriage licenses or court orders are accepted.

11. **Address of Record and Publically Disclosable Address:** Consistent with Virginia law §54.1.2400.02 and the mission of the Department of Health Professions, addresses of licensees are made available to the public. Normally, the Address of Record is the publically disclosable address. If you do not want your Address of Record to be made public, state law allows you to provide a second, publically disclosable address. Typically, this other address is the work or practice address. If you would like for your Address of Record to be made available to the public, complete both sections with the same address.
