

VIRGINIA BOARD OF NURSING

Disposition of Disciplinary Cases against Nurses and Massage Therapist Practicing on Expired Licenses

The Board of Nursing delegates to Board discipline staff the authority to offer a prehearing consent order in cases of nurses or massage therapists practicing on expired licenses.

The staff shall use the following when preparing prehearing consent orders:

Practice on an expired license for 30 days or less would result in a \$200 monetary penalty.

Practice on an expired license for 31 – 90 days would result in a \$400 monetary penalty.

Practice on an expired license for 91 – 180 days would result in a \$600 monetary penalty.

Practice on an expired license 6 months – 12 months would result in a \$1,000 monetary penalty.

Practice on an expired license greater than one year would result in a Reprimand and a \$1,000 monetary penalty.

Cases in which there is suspicion of a willful act, the licensee will be scheduled for an informal conference.
