APPROVAL OF MINUTES

Ms. Horne-Quatannens moved that the minutes from the July 16, 2009 Regulatory Committee be approved. The motion was seconded and carried.

CLARIFICATION OF APPLICATION REQUIREMENTS:

Regulation 18VAC140-20-40 and 18VAC140-20-70.

Ms. Yeatts remarked that staff requested clarification of the requirements for licensure by examination as a clinical social worker for applicants who passed the examination prior to application but were never licensed in another jurisdiction.

Ms. Horne-Quatannens moved that the Committee recommend to the Board that Regulation 18VAC140-20-40 be amended to require that, with respect to applicants who passed the examination prior to application but were never licensed in another jurisdiction, the national licensing examination be passed within three to five years prior to application or, if the examination was passed before that time period, that the applicant demonstrate evidence of social work practice at the appropriate level within an exempt setting prior to application. The motion was seconded and approved.

Regulation 18VAC140-20-45.

Ms. Yeatts noted that staff requested clarification of the requirements for licensure by endorsement for applicants who are unable to document 36 out of the past 60 months of active practice.

Dr. Paulson moved that the Committee recommend to the Board that Regulation 18VAC140-20-45 be amended to reduce the documentation requirements for endorsement applicants and at the same time clarify the meaning of “active practice” to demonstrate competency in the field of social work. The motion was seconded and approved.

Regulation 18VAC140-20-110.B.

Ms. Yeatts requested clarification of the requirements for licensure reinstatement for expired licensees who have no active practice in recent years.

Dr. Paulson moved that the Committee recommend to the Board that Regulation 18VAC140-20-110 be amended to address the issue of reactivation and reinstatement for applicants who have either been not practicing social work in recent years or practicing elsewhere in an exempt setting. The motion was seconded and approved.

REVIEW OF BOARD GUIDANCE DOCUMENTS

Ms. Yeatts presented the guidance documents which are available on the Board’s website. She requested that the Committee determine if such information continues to be valid. She recommended that the Committee consider delegating the authority to staff to review the Board guidance noted in the newsletters and minutes currently posted as Guidance Documents on the website and compile a general guidance document.

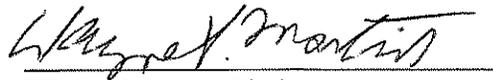

Mr. Green moved that the Committee recommend to the Board that staff reformat the guidance documents currently posted on the website and extract guidance from minutes and newsletters to be placed in a general guidance document. The motion was seconded and approved.

NEXT MEETING

Mr. Martin requested that the next meeting of the Regulatory Committee be scheduled for Friday, July 16, at 9:00 a.m., with the Board Meeting following immediately thereafter.

There being no further business to come before the Regulatory Committee Meeting, the meeting adjourned at 10:10 a.m.
