Proposed Regulations – Public Comment Requested

The Virginia Board of Social Work is currently receiving public comment in regards to the amendment of the Regulations Governing the Practice of Social Work. The Regulations will be amended to: 1) amend the definition of clinical social work services to include psychosocial interventions; 2) require applicants for reinstatement to provide verification of licensure in another state, if applicable, and a report from NPDB; and 3) amend section 110 to specify an amount of supervision that is required for a person who has not actively practiced for 10 or more years and applies to reinstate or reactivate his license. Comments can be made on [Townhall](#) before September 22, 2017.
