 - b. Intent and goals

- II. **Introduction of Panelists** – (9:15 – 9:20 am) *Jodi*

- III. **Panel Discussion** (9:20 – 11:00 am) *David*

Keeping in mind three specific groups (medical students, residents, and practitioners), what are the best practices around:

- a. Proper prescribing and pain management – how are we teaching prescribers?
 - b. Addiction education – what are we teaching about the mechanisms that lead to addiction and how to recognize risk factors?
 - c. Treatment – who do we rely on/refer to when we recognize addiction? How prepared are staff members to offer resources in the community? What are our best community resources?
- IV. **Debrief and Next Steps** – (11:00 – 11:30 am) *David and Co-chairs*

How will we use what have heard to inform our recommendations? What can we do with this information at a state level?
