Enforcement Workgroup Implementation Plan Updates

Law Enforcement Training Update VBPD Experience

The Virginia Beach Naloxone Training Program has been folded into the Department's CPR recertification block of mandatory training.

All sworn members have been scheduled to attend.

The completion of training is expected to be December 31, 2015.

Enforcement Workgroup Implementation Plan Updates

Availability of Naloxone to Local Law Enforcement

**DCJS is developing a grant program to
disseminate doses of Naloxone to local law
enforcement agencies.**

**The solicitation is expected to be released at
the end of 2015.**

**Issues to be resolved are distribution,
storage, and maintenance at the local level.**

Enforcement Workgroup Implementation Plan Updates

Outstanding Issues

- **Literature Review on use of evidence-based alternatives to incarceration for heroin and opioid users.**
- **Budget/Cost Proposal**
